Lenawee County Mission
PO Box 918
Adrian, Michigan 49221

Dear Reverend Watson:

It is with great pride that I take this opportunity to express my sincere and profound appreciation for the work you have done to create the Lenawee County Mission. The services that this organization provides to our community are among perhaps the most difficult to deliver, and yet you have been able to achieve success where many, perhaps most, have failed.

I have witnessed the testimony of the participants of the Lenawee County Mission program and to see the restoration of self-dignity in the recipients of your services brings not only warmth and happiness to my heart, but also a deeper pride in our community. You have made a positive indelible mark, not only in the lives of those fortunate to have found your program during their time of need, but also on the image of our un-commonly caring community.

Please accept my deep appreciation for your role in making the greater Adrian community a much better place.

With best regards,

Gary E. McDowell
Mayor
